CONFERENCE CENTER

# HELP US CELEBRATE TWENTY YEARS OF HEALING!

## OUR FOUNDERS

## **DR. STEPHANIE KORALESKI AND DR. KAY RYAN**

Twenty years ago, two friends met to talk about cancer.

One had breast cancer, the other worked as a psychologist for cancer patients. They could have spent their time as friends do in a time of crisis – hugging, comforting, listening. Instead, they discovered a problem. And both their minds went to one thought: there was work to be done.

Steph and Kay rolled up their sleeves, spent hundreds of hours researching the best ways to help cancer survivors and wrote a book that became a program, and then a nonprofit.

Over the past 20 years, thanks to help from generous friends like you - many milestones have been achieved and A Time to Heal has grown beyond their wildest dreams. In 2024, A Time to Heal directly served more people than ever before - nearly 900 survivors and caregivers.

## About the Conference

In 2024, over 400 cancer survivors, caregivers, health professionals, donors, advocates and friends gathered for a full day of education, highlighted by a fundraising luncheon. The day begins with a continental breakfast and time to visit with exhibitors, followed by breakout sessions for those seeking education and CE hours. The fundraising luncheon brings in additional attendees, including many VIPs, and showcases our generous sponsors.

*The number of survivors, caregivers and healthcare professionals who attended the 2024 Art of Living Beyond Cancer Conference.*

### CANCER DOES NOT DISCRIMINATE

Cancer impacts people of all ages, races, income levels or gender. A Time To Heal gives cancer survivors—and their caregivers—the tools they need to rehabilitate mind, body and spirit in a small group setting. **Regardless of where they received their treatment or the type of cancer they may have**, A Time To Heal is here for them.

### WE CAN'T DO IT WITHOUT YOU

**A Time To Heal is 100% donor funded. This conference is our largest fundraising event of the year and will make the most significant impact on the services we are able to provide! How does YOUR support help?**

- Your gift will provide professional guidance and 'power tools' to cancer survivors—proven to reduce depression and anxiety, while increasing quality of life with research-based information!
- Your support gives them connections to other survivors and caregivers who can understand their journey better than anyone else!
- Your sponsorship gives A Time To Heal the ability to provide healing and hope at absolutely NO COST to any cancer survivor in need.

---

## About Our Foundation

---

*A Time To Heal's mission is to provide support, education and empowerment so cancer survivors and their caregivers may create their best lives*

---

A Time To Heal Cancer Foundation supports cancer survivors and their caregivers through research-based classes, professionally led support groups and monthly education events.

Our curriculum and books are based on research collected by the American Institute of Cancer Research, as well as more than 10 years of our own data showing sustained increases in cancer survivor quality of life and happiness. A Time To Heal is 100% donor funded and received its 501(c)3 status in 2009.

---

*A Time To Heal Cancer Foundation was founded in 2005 by Dr. Stephanie Koraleski and Dr. Kay Ryan and is headquartered in Omaha, Nebraska.*

---

**Tuesday, May 6, 2025**
